

# Hawai'i Connection

For the past few years, the Hawai'i Church of God of Prophecy has made leadership development a primary focus. Overseer Gary Langley has emphasized the urgency of securing the future of the

organization by identifying, training and empowering emerging leaders, especially young leaders.

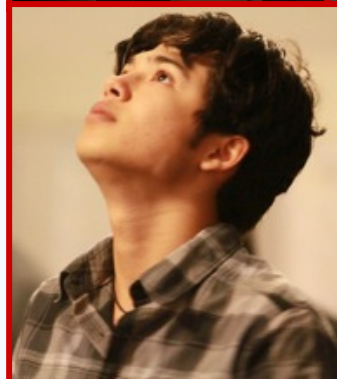

A Hawai'i Ministry Development Center was established for the ongoing, in-service education of existing and future leaders.

We have been blessed with two new ministers being ordained this year, with several more pursuing the process of ordination.

As young leaders have begun to rise up and take the lead, a true spirit of revival and renewal has gripped our Honolulu REUNION Church. Some of our young adults have been on mission trips. Tori Langley served in Bulgaria with the Institute for Children's Ministries and encountered the Holy Spirit in a new dimension. Upon her return she planned a worship and arts night. It was attended by students from the nearby college who sang, prayed, and created visual art expressions of worship.

Another young lady, Christianne Kawamata, went through Discipleship Training School conducted by Youth With A Mission.

On Christianne's mission trip to Nepal, her faith was increased as they prayed for people in the streets and witnessed healing and the miraculous taking place. Upon returning home to Hawai'i, she enlisted a few others and began to put into practice what she had experienced in YWAM. They began to pray for merchants and shoppers in the local mall, and saw

people come to faith in Christ there. On one occasion the small group was in the center of the mall and spontaneously began to sing and worship, as a

crowd gathered and the security guards stood aside and watched.

We are truly grateful for this revival spirit that has emerged, especially among our youth.

A young man who plays guitar in the worship band was filled with the Holy Spirit while praying alone in his bedroom . . . no evangelist, no series of meetings—just a young man hungry for intimacy with God.

Christiane felt led to start our own Discipleship Training School to provide the kind of intense discipleship she had experienced at YWAM, and the DNA DTS

was initiated under the covering of the Hawai'i Ministry Development Center. A cadre of leaders was recruited and trained in a season of intense prayer, and the Discipleship School was launched by this 23-year-old young lady and staffed by others of her generation.

**This generation is raising up leaders for today's ministry.**

Our congregation at REUNION entered a 21-day period of prayer and a Daniel Fast that coincided with the launch of the DTS, and we have seen remarkable breakthrough in many areas. We recently experienced our largest single day of tithes and offerings ever, and there has been a fresh wave of freedom in our worship.

During the twice-weekly DTS sessions several of the participants have been Spirit-filled and are experiencing God in ways they never have before. This entire revival has been youth-initiated, youth-led, and is ushering in a fresh wind of the Spirit in Hawai'i. To God be all the glory!!!

Gary Langley  
Hawai'i Overseer

**Although Hawai'i is known for its tourists industry, the native people are mainly impoverished. The Church of God of Prophecy is reaching out to the needy in this area in many ways—food, clothing, necessities, but most importantly, sharing of the Gospel of Jesus Christ. Your partnership is helping make a difference. Thank you.**

**As of the 2010 Assembly, the Church of God of Prophecy in Hawai'i has 310 members, 4 organized churches,**

**Your Mission Giving [HPL1] provides the bread and water support necessary for the COGOP to function in Hawai'i.**

**Thank you, Harvest Partners, for your faithfulness in prayers and loving support.**

Churches can also give additional **Project** offerings to help support special project ministries as mentioned in this newsletter by designating such as:

**HPL2—Hawai'i—[List Name of Project]**

Individuals can give also through Helping Hand Ministry by designating your offering as:

**HH—Hawai'i—[List Name of Project]**

**Note that all gifts are tax deductible and 100% of your gift is applied to the need you specify.**
